RESOLUTION,

Requiring the Secretary of State to compile and print, once in every two years, a Register of all officers and agents, civil, military, and naval, in the service of the United States.

Resolved, By the Senate and House of Representatives of the United States of America in Congress assembled, That, once in two years, a Register, containing correct lists of all the officers and agents, civil, military, and naval, in the service of the United States, made up to the last day of September, of each year in which a new Congress is to assemble, be compiled and printed under the direction of the Secretary for the Department of State. And, to enable him to form such Register, he, for his own department, and the heads of the other departments, respectively, shall, in due time, cause such lists as aforesaid, of all officers and agents, in their respective departments, including clerks, cadets, and midshipmen, to be made and lodged in the office of the Department of State. And the said lists shall exhibit the amount of compensation, pay, and emoluments, allowed to each officer, agent, clerk, cadet, and midshipman, the state or country in which he was born, and where employed.

2. Resolved, That the Secretary of the Navy subjoin to the list of the persons employed in his department, the names, force, and condition, of all the ships and vessels belonging to the United States, and when and where built.

3. Resolved, That five hundred copies of the said Register be printed; and that on the first Monday in January, in each year, when a new Congress shall be assembled, there be delivered to the President, the Vice President, each head of a department, each member of the Senate and House of Representatives, of the United States, one copy of such Register; and to the Secretary of the Senate, and Clerk of the House of Representatives, each ten copies, for the use of the respective houses; that twenty-five copies shall be deposited in the Library of the United States, at the seat of government, to be used like other books in that library; and that the residue of the said copies be disposed of in such manner as Congress shall, from time to time, direct.

4. Resolved, That for the information of the present Congress, such Register as aforesaid, be prepared and distributed as aforesaid, on the first day of its next session.

Note. Postmasters are compensated by commissions on postages, collected by them: and the amount of commission for one year, ending April 1st, 1827, is stated, though the Postmaster may not have been so long in office. In some cases, the offices have been too recently established for accounts to have been rendered; in such cases, the compensation is left blank. The gross amount of commissions is stated, without deducting the expenses of clerk hire and contingent expenses, except at offices marked thus,* yielding commissions of more than $2000 per annum, in which cases the clerk hire, being reported, is deducted from the commissions, and the remainder taken for the Postmaster's compensation; but in no case can the *nett* compensation exceed $2000 per annum.

It is proper further to remark, that the Post Office accounts are entered alphabetically in the books of the Department; and in this return, under two geographical sections, denominated Northern and Southern. Under the head of the Northern section are entered, Maine, New-Hampshire, Massachusetts, Vermont, Rhode-Island, Connecticut, New-York, Michigan Territory, New-Jersey, Pennsylvania, Delaware, Maryland, Ohio, and the District of Columbia. Under the head of the Southern section, Indiana, Illinois, Missouri, Virginia, Kentucky, North Carolina, South Carolina, Tennessee, Georgia, Florida Territory, Alabama, Mississippi, Arkansas Territory, and Louisiana.
